

Campaign Name: Northstar RevOps Demo Campaign

Business Objective: Convert 35 enterprise trial accounts into booked demos and close 12 new annual contracts before

Target Audience: VP Revenue Operations, Director of Marketing Operations, and Revenue Systems leaders at B2B

Key Message: Northstar removes manual reporting work so RevOps teams can act on pipeline changes within minutes

Channels: Email, LinkedIn, Paid Search, Landing Page, Sales Outreach

Budget: 42000 USD total. 12000 LinkedIn, 10000 paid search, 8000 email + sales enablement, 12000 landing page

Timeline: Brief approved June 10. Assets locked June 24. Campaign launches July 1 and runs for 6 weeks.

Success Metrics: 35 booked demos from active trials, 12 net-new annual contracts, landing page conversion rate above

Constraints: Do not say AI-powered without proof. Do not mention competitors. CTA must be Book a demo. Tone should be

Proof Points: Customers cut weekly reporting time by 6 to 10 hours. One customer reduced board prep time from 2 to 1 hour
